SCRAPS

RYE NECK HIGH SCHOOL

MAMARONECK, NEW YORK

FOREWORD

Five years ago, the class of 1966 began to edit a diary that would span half a decade. This yearbook is founded on the memories of ~~these~~ five years. Our present is a product of our past, just as our future will be a product of our present. *Scraps* 1966 is a farewell to the good years, to the golden years.

Fifty years ago, the class of 1916 published the first edition of *Scraps* with the same purpose in mind. As the school grew, so did the yearbook—another year, another page. Each yearbook has connected the past with the present by showing new ideas and new courses, picturing older brothers and sisters and their teachers. We hope this yearbook is a vital link in a continuing chain of memories that connects the past with the present, the present with the future.

ARDINA SEWARD
Editor-in-Chief

Thomas D. Morgan has been a teacher of English in Rye Neck High School for 12 years and recently an assistant to the Superintendent. Mr. Morgan will accept an assistantship in the School of Education at the University of Buffalo in the fall.

A FAREWELL

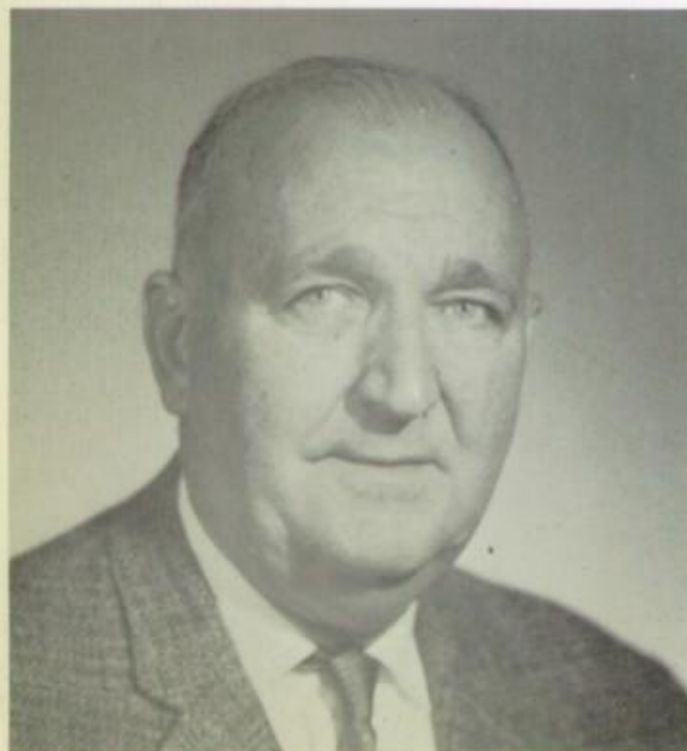

The 1966 *Scraps* staff wishes these retiring teachers the best of luck in future endeavors.

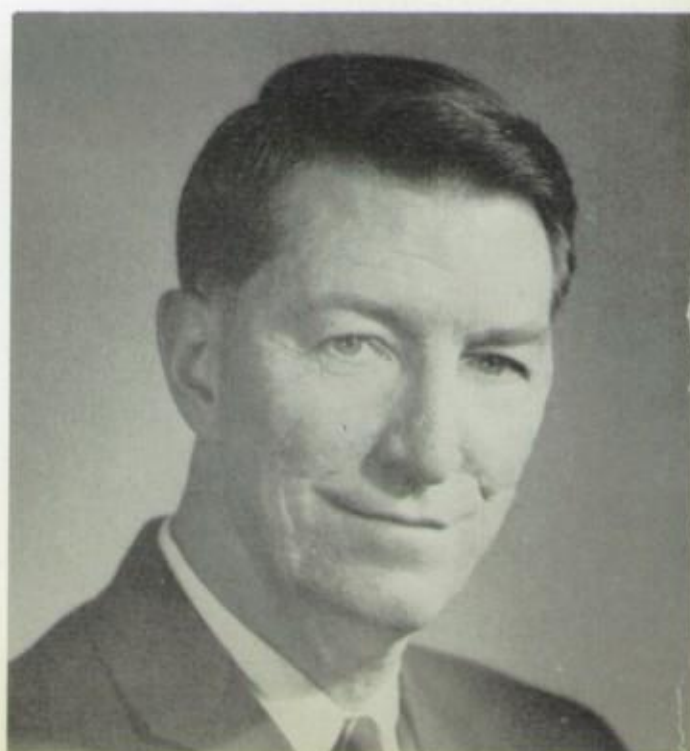

Arthur E. Yerdon has been a member of the faculty of Rye Neck for 25 years as a teacher of chemistry and as chairman of the science department. He retired in 1965 to his home town of Massena, New York.

Miss Marie Haggerty has been a teacher and principal for 46 years in the Rye Neck School System. Coming to Barry Avenue School in 1920 as a teacher, she continued there as principal until several years ago when she became principal of Bellows School until her retirement in 1966.

Coach T. A. Hasley is retiring from Rye Neck after 23 years in the school. He came in 1943 as physical education teacher and football coach, and is now director of athletics and coach of soccer and basketball. He has been twice elected Westchester's "Coach of the Year", the last time for soccer in 1965.

J. Ellsworth Olsen has been a member of the faculty for over 31 years. He has taught both instrumental music and voice, and has been in charge of both the chorus and band.

DEDICATION

The class of 1966 sincerely dedicates *Scraps* to Mrs. Elex J. Ingersoll in appreciation for her selfless devotion to *Scraps* as its adviser, and the zeal that makes her a spirited teacher, a trusted friend .

DR. JOSEPH CAROL

Superintendent of Schools

Fifty years have passed since the first edition of *Scraps*. During that period the United States has evolved as one of the leading countries of the world. That same period has been characterized by an explosion of knowledge unprecedented in human history.

Part of our responsibility at Rye Neck, therefore, has been to prepare you to assume a role in our society that will help maintain the United States in a position of world leadership and to cope with and contribute to the continual expansion of knowledge.

I pray that we have carried out this part of our responsibility well. Only you and time will tell!

MR. KENNETH DEVINE

Principal

An anniversary is a time for reflection. We might reflect on what we have contributed to make our world a better place in which to live. The vital link in this chain of contribution is you, the individual.

We might reflect on what we believe. We believe that true education stands for inequality—the inequality of individuality, the inequality of success, the glorious inequality of talent, of genius; for inequality, not mediocrity, individual superiority, not standardization is the measure of progress.

As the individual becomes a better person, more knowledgeable, more loving, more concerned, more committed, the link in the chain of events is forged stronger.

This year, the G. O. of Rye Neck devoted itself to carrying out several projects to promote school spirit. A few of the things that the G. O. worked on were this year's calendar, the U.N. Assembly, and the magazine drive which enabled the G. O. to collect fourteen hundred dollars for a scholarship fund. This year's officers are Ronnie Osach, President; Diane Goldsmith, Vice-President; Nancy Lauter, Secretary; and Jerry Caserto, Treasurer.

The officers of the organization are Bob Bergesch, President; Lois Epstein, Vice President; Jacquelyn Gould, Secretary; and Martha Long, Treasurer.

Members of the National Honor Society are chosen on the basis of an academic average of 85 or 90 or above. Extra-curricular activities and service to school and community are also a determining factor for induction. The Honor Society is responsible for an annual book cover sale and a stationery drive to raise scholarship money for a graduating student. The sponsors are Mr. Kinney and Mrs. Schonfeld.

FOOTBALL '65

The Rye Neck varsity football team made a fine attempt to rally above the handicap of their injured first string. All of our games were lost with the exception of one forfeit and one win. Our victory over Valhalla exemplified the fighting spirit of the Panthers. Coach Sniadack and Coach Berland fielded a determined team. The J.V. team, coached by Mr. O'Donnell, also worked hard towards a successful season, and many of their players are expected to make the varsity next year.

SOCCER '65

To say that the Rye Neck soccer team had a successful season would be an understatement. Coached by Mr. Hasley, the team had a record of 11 wins, one loss and one tie. This fine record earned them the title of C.W.L. champions and the right to play in the Section I Tournament. Rye Neck ended an outstanding season by tying White Plains 0-0, and gaining the New York Section I, Division II championship by defeating Yorktown 3-0 and Horace Greeley 1-0. Two reasons for Rye Neck's success were Co-Captains Frank Kabdebo and Bob Bulakowski. Named All-American last year by *Sports Illustrated*, Frank scored 26 goals during the season which boosted his total goals for four years to 111, a new national record. Both Bob Bulakowski and Frank Kabdebo were picked for the All-County soccer teams this year. Coach Hasley was elected "Coach of the Year" by the Westchester County Coaches for the second time. He was chosen in 1958 as "Coach of the Year" in basketball.

BASKETBALL '66

The year the Rye Neck basketball team had a winning season with a record of 11 and 8. Coached by Mr. Hasley, the team was seeded third in the Central Westchester League and played in the Section I tournament. The team consisted mainly of Seniors. They were Co-Captains Bob Miles and John Della Greca, Barry Franklin, Ricky Ciraco, Art Haviland, Marc Pickard, Phil Robins and Jeff Last. They were helped greatly by several underclassmen during the season. The most exciting game was the Harrison game which we won in the second over-time with a crucial rebound by Marc and a dramatic last second jumpshot by Barry.

LO THERE!

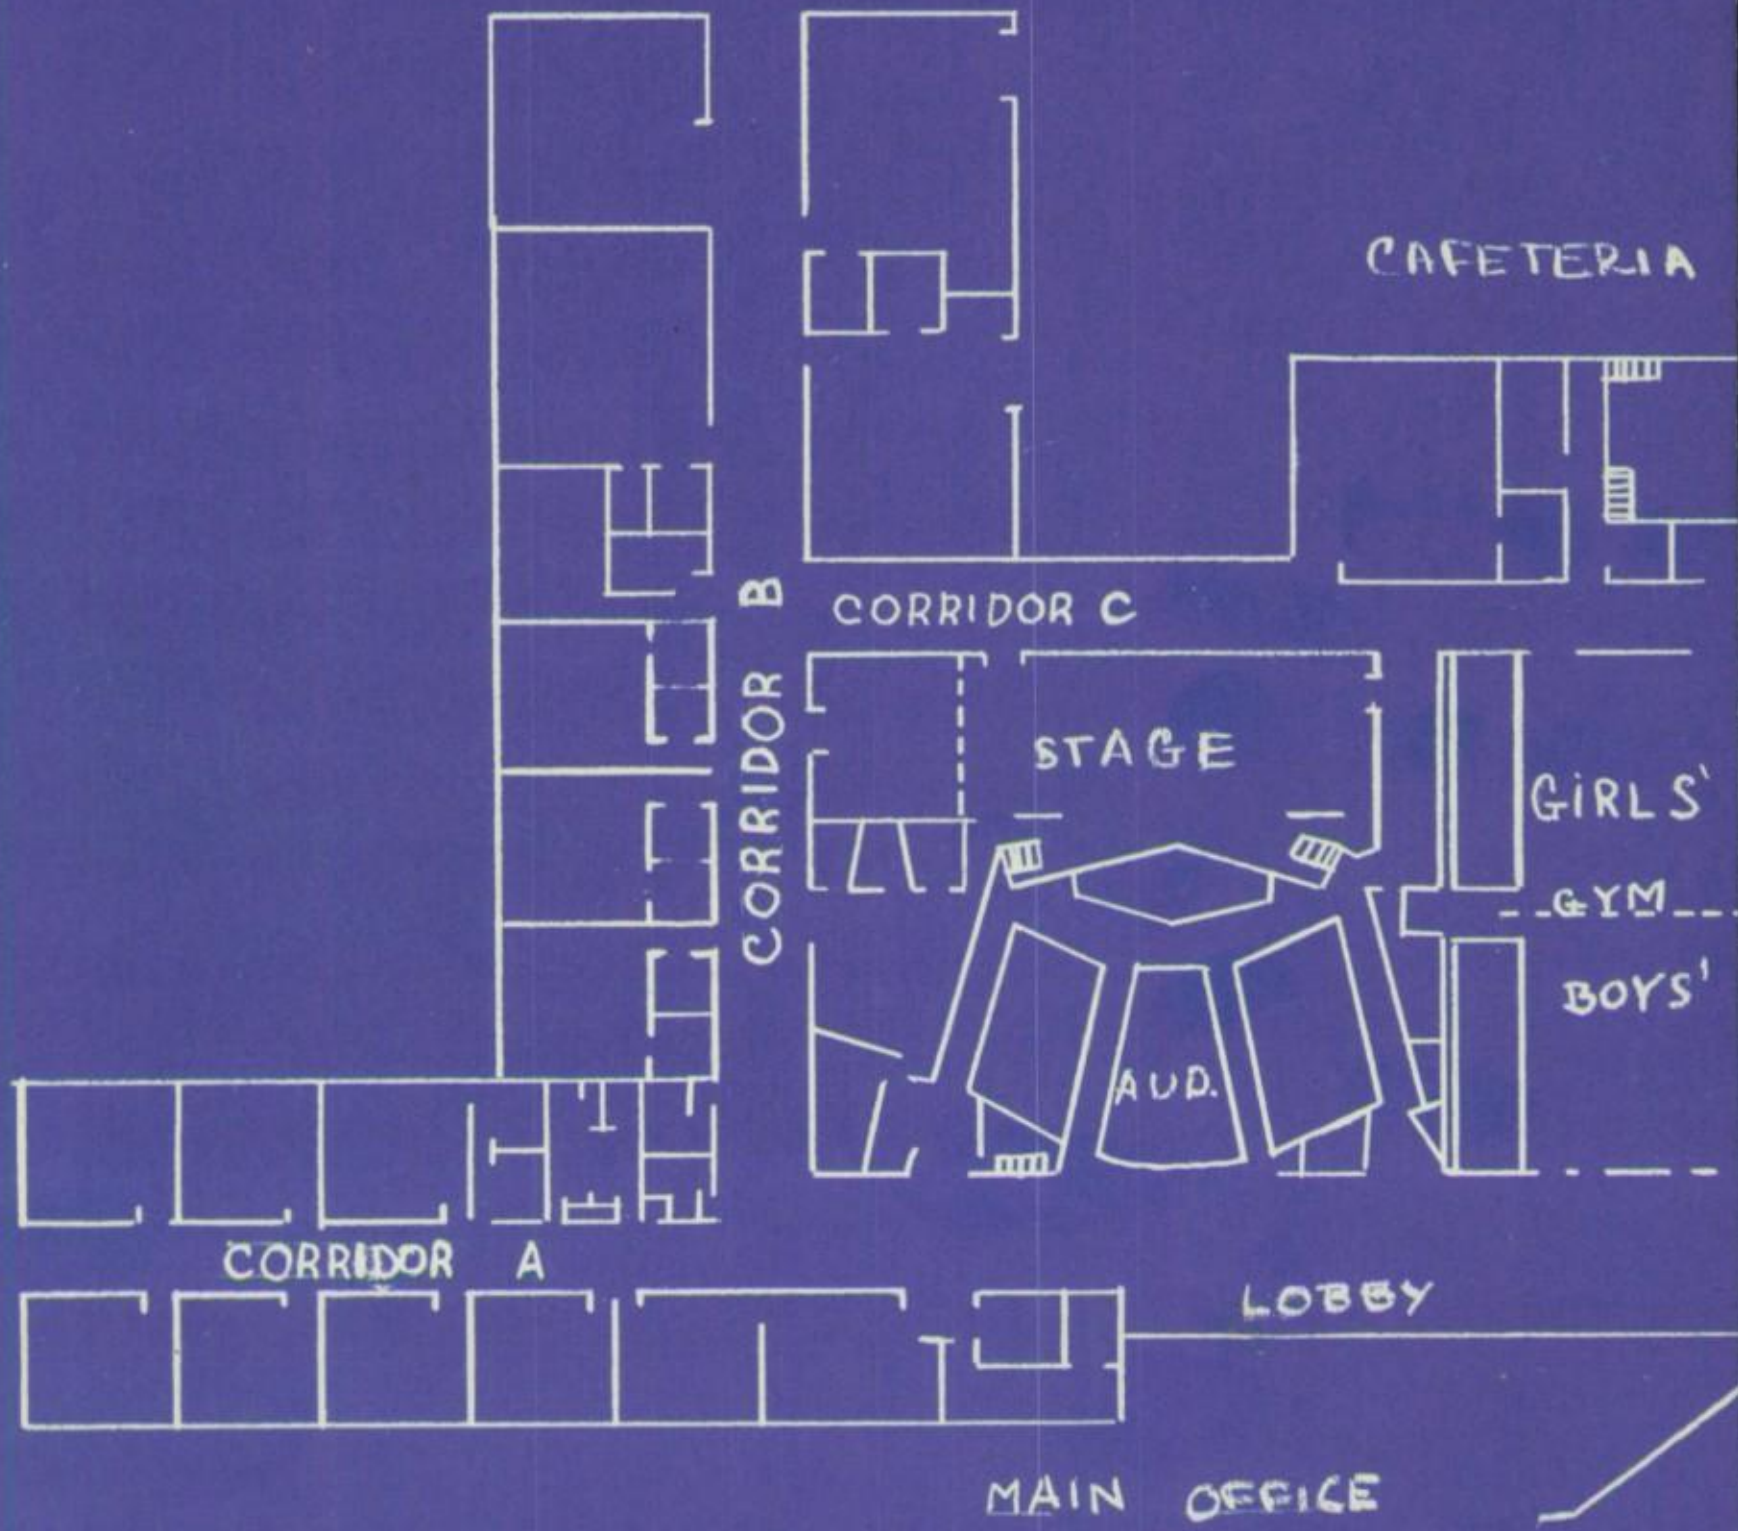

Alina,
Thought you
as some what of
the usual, I still don't
regret what brought us together for
the future holds a lot in store for
you and I always wish you well.
Remember it started as a surprise and
a blind date. I am only thankful that I
was able to help.

Always
